Advances in Applied Mathematics and Mechanics

Editors-in-Chief
Yunqing Huang and Chang Shu

Managing Editors
Jun Hu and Zhonghua Qiao

Editorial Board

Electronic:2075-1354 ISSN Print:2070-0733

Aims and Scope

Advances in Applied Mathematics and Mechanics (AAMM) provides a fast communication platform among researchers using mathematics as a tool for solving problems in mechanics and engineering, with particular emphasis in the integration of theory and applications. To cover as wide audiences as possible, abstract or axiomatic mathematics is not encouraged. Innovative numerical analysis, numerical methods, and interdisciplinary applications are particularly welcome.
